

THE REGIONAL EMERGENCY MEDICAL SERVICES COUNCIL OF NEW YORK CITY, INC.

NYC REMAC

Advisory No.	2019-01-A		
Title:	Updated Stroke Appendix R THROMBECTOMY STROKE CENTER DESTINATIONS		
Issue Date:	March 8, 2019		
Effective Date:	April 1, 2019		
Supersedes:		Page:	1 of 2

The Regional Emergency Medical Advisory Committee (REMAC) of New York City is responsible to develop, approve and implement prehospital treatment and transport protocols for use within the five boroughs of the City of New York. The Regional Emergency Medical Advisory Committee (REMAC) of New York City operates under the auspices of Article Thirty of the New York State Public Health Law.

The Regional Emergency Medical Advisory Committee (REMAC) of New York City has revised and updated the regional Stroke Protocol. All protocols have been approved by the New York State Emergency Medical Advisory Committee for use in the NYC region.

The following is attached:

- REVISED Appendix R: Thrombectomy Stroke Center Destinations

PROTOCOLS ARE TO BE IMPLEMENTED April 1ST, 2019. Agencies that require additional time for implementation must submit requests for extension in writing to the NYC REMAC. Requests can be emailed to mdiglio@nycremsco.org

Current and Updated Protocols can be accessed at the Regional EMS Council website:

www.nycremsco.org. Owners/operators of Ambulance and ALS First Response Services providing prehospital medical treatment within the five boroughs of the City of New York are responsible to provide copies of the NYC REMAC Prehospital Treatment Protocols to their personnel, and to ensure that Service Medical Directors and EMS personnel are informed of all changes/updates to the NYC REMAC Prehospital Treatment Protocols.
